1. Plan, organize, and rehearse your special Opening and Closing Ceremony for the Troop meeting – incorporating the Pledge of Allegiance, Scout Oath, Scout Laws, and any other creative elements that you want to incorporate to make the ceremony impactful and meaningful.
2. Arrive at the Troop meeting location least 15 minutes before the start of the Troop to set up the room, including clearing the tables, setting up the flags, and flag stands
3. Implement the Opening Ceremony at the command of the Senior Patrol Leader.
4. Implement the Closing Ceremony at the command of the Senior Patrol Leader, incorporating the Scout Oath, The Scout Laws, and any other creative element of a closing that you develop.
5. Replace the meeting room to the original condition, leaving our “campsite” cleaner than the way we found it.
6. Pack up the American and Troop Flags and give them to the Troop Committee Chairman – Mr. Glen Bernichon, along with the Flag Stands.

Thank you in advance for your service to the Troop and our great Troop members!
