

Get Ready for Scout Summer Camp 2017!

August 6th to August 12th at Camp Wakpominee

February and March is not too early to plan for a great week of camping and Scouting activities at Twin River Council's Camp Wakpominee, located near Lake George, New York. Located on over 1,000 acres in the Lake George region, this year round camp boasts one lake and three ponds. Camp Wakpominee's week long resident camp offers an excellent traditional Boy Scout program in an attractive Adirondack setting. Activities include rank advancements and merit badges.

As the year continues there will be additional information to help you prepare for summer camp. Information is available today (and will continue to be updated) on the Troop 205 site (www.T205.net) under the Summer Camp tag.

RETURNING SCOUTS who have registered for the Early Bird must pay the remaining balance by April 25th (\$390). Those who did not register for Early Discount have until May 15th to pay the full amount of \$520. This includes transportation costs and Troop picture.

NEW SCOUTS (Webelos who just crossed over) have until May 15th to register and pay at the Early Bird rate of \$490.

Please provide payment or direct any questions to Larry Grey (581-8044, Larrygrey@aol.com).

To learn more about Camp Wakpominee, check out the website at:
<http://www.trcscouting.org/Camping/CampWakpominee/>

More information will be provided at Troop Meetings and on the Troop website (www.T205.net).

Interested? See ASMs Larry Grey for more information.
